THE MARCH OF PROGRESS!

OUR LATEST IMPROVEMENTS!

Competition is the Life of Trade, and if you have not seen our latest improved goods you cannot imagine how lively trade is, or how fast our competitors have to work to keep within sight of us.

James Means' \$3 Shoe, James Means' \$4 Shoe, James Means' \$5 Shoe. SEAMLESS, UNEXCELLED IN STYLE, UNRIVALLED IN DURABILITY, AND PERFECTION OF FIT.

Such has been the recent progress in our branch of industry that we are now able to affirm that the James Means' \$3 shoe is in every respect equal to the shoes which only a few years ago were called at eight and a half dollars.

Now, kind reader, just stop and consider what the above signifies so far as you are concerned. It means you that if you keep on buying shoes bearing no manufacturer's name or their retail price stamped on the sole, you cannot tell what you are getting and your retailer is probably making you pay double what your shoes are worth.

The only award of merit for trousers, London, 1887 was captured by Seely & Co. There were over sixty-eight competitors.
